THE TRIP

In June 2016, Leslie Burwell traveled to South Africa with Go Global NC as the Chatham County Teacher of the year. There, she was inspired by the art created during the U.S. Civil Rights and South African Apartheid movements.

Back home, Ms. Burwell and her students partnered with Paperhand Puppet Intervention to create giant puppets for a show called "One Home." The show raised over \$17,000 dollars for charities in the U.S. and South Africa.
